**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who uses a smaller local ISP because of its good reputation, and I've always been satisfied for 18 years. If an issue arises I can get someone immediately on the phone and if needed, someone will be at my house in a day. The price is lower than larger providers too.

Please don't dismantle the ability for smaller providers to offer services so everyone can choose what works best and at a price that works for them.

We need competition to get the best services and prices for everyone.

Regards,

Ellen Sabine
